- Stylish cooler touch stainless steel body
- Manual re-set boil dry safety cut-out
- Safety twist-lock lid with integral handles
- Concealed element makes cleaning and descaling easy
- Mains connection indicator lamp
- Amber 'ready' indicator neon
- CE marked
- Full commercial guarantee

The Baby Burco boiler series is designed for commercial or domestic use and comes in 8 litre (C8T) and 2.5 litre (C2T) capacities.

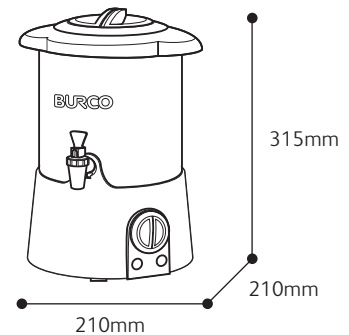

For enhanced safety they are constructed with a stylish twin wall cooler touch body.

The 8 litre (C8T) gives around 50 cups of hot water and the smaller 2.5 litre (C2T) gives around 15 cups.

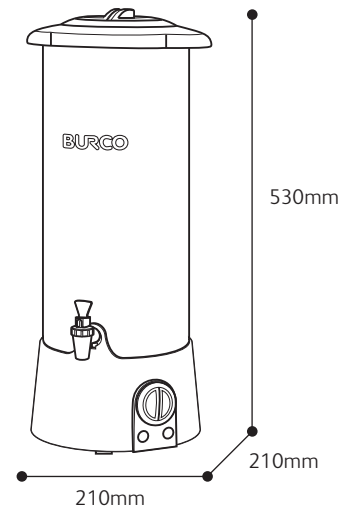

For additional safety the moulded top features a twist lock lid with integral steam vent and handles. There is a manual reset boil dry safety cut out and non-drip dual action dispensing tap. Efficient fully variable thermostatic control comes as standard and the concealed element with stainless steel body ensures ease of cleaning or de-scaling.

Fully safety and EMC tested, CE marked and comes with a full 12 month commercial guarantee.

C2T

C8T

Model	Capacity in litres	kW rating	Heating time in mins	Cup capacity	Carry handles	Water level indicator	Height mm	Width mm	Depth mm
